- ▶ Use Your Skills, Learn Biblical Principles, Share Your Faith!

Why not join AIA Sports Performance on an adventure in your field of expertise.

Let us encourage you in your faith journey at The Ultimate Training Camp!

- ▶ **Who can serve:** Team Physicians, Athletic Trainers, & Athletic Training Students.

**What we do:** The UTC (Ultimate Training Camp) is a high intensity sports camp for athletes. We tackle the issue of how to blend faith and sport together on the field of competition. We teach five Biblical Principles to athletes and then allow them to test those truths in a 20-hour sports marathon known as The S.P.E.C.I.A.L. As a result there is a need for athletic trainers and students to cover this camp.

Enjoy small group discussions with the sports medicine team as we explore how these Principles impact our lives and service to athletes. Our goal is to help every athletic trainer in the nation understand how the gospel impacts their sport and life.
