

HIGHLIGHTS IN SERVICE

**Two Young Professionals serving as Year-Round Interns.
Experiencing Growth, Community and Excellence!**

September

Karisa (L) & Courtney (R), two certified athletic trainers arrived in Ohio. The month was highlighted by a staff retreat and making new friends.

December

Christmas Parties with the rest of the interns and the AIA staff who serve them throughout the year.

October/November

Traveling with AIA's Fall Tour Basketball team, serving as the AT's, ministering at places like Grundy Mountain Mission School in West Virginia. Serving at the International Coaches Academy, ministering to basketball and strength coaches from around the world!

January/February

Attending AIA Principle Speaker training learning how to teach the Gospel applied to sport, experienced through sport and spoken in the language of sport. Pioneering Sports Performance's efforts to minister to the Xenia Scouts youth baseball teams teaching core and band exercises.

What's Next? March through the summer.

Traveling with AIA Tours to Spain, Honduras & the Holy Land! Karisa and Courtney will have the opportunity to grow as they experience international missions!

Mentoring student summer interns in athletic training and strength & conditioning to develop growth, community and excellence in each of them.

Are you ready to experience your highlights?

"It was incredible to see him transform...to someone who saw his greater purpose in life," said Courtney about one of the basketball players she was able to minister with.

"I can be confident that this process is helping me grow, and God already knows what He has next for me," said Karisa about her internship.

"Strive to trust Me in more areas of your life. Anything that tends to make you anxious is a growth opportunity." *Jesus Calling*

AIA Sports Performance is currently accepting applications through March 1st for next year's Year-Round Interns in athletic training and strength & conditioning. Are you next? Go to our [website](#) to find out how you can apply!
