

THEOLOGICAL PERSPECTIVES

Interested in walking an athlete through a critical issue or leading a group Bible study? But not feeling confident that you are biblically equipped in these issues? You are in the right place!

The series of theological perspectives was written by biblical scholars to help develop a deeper insight into the broad areas of life that encompass the world of sport. This material will begin to help you think more biblically as you grow in your understanding of sport culture.

CHARACTER	THE HUMAN BODY	MONEY
SPORTSMANSHIP	CARING FOR MY BODY	MANAGING MONEY
